Dear Sir or Madam,

I am writing this letter to highly recommend the services of Greg Powell from the CFO Centre. Greg provided support for SaltWire Network Inc. as a fractional CFO between June 2022 to January 2023 and I must say, it was an absolute pleasure to have him on board.

Greg provided effective and efficient support in the finance function of our company and was personable in his approach. He provided quality leadership and guidance that was instrumental in the successful functioning of the department. Greg's knowledge and experience helped us to achieve our objectives while we were searching for a full time CFO.

Greg's principal terms, which included providing leadership and oversight of the finance function, conducting a review of our current financial reporting, working with the CEO on strategic planning, and assisting in the execution of the strategic plan, were carried out with skill and dedication. Greg was an invaluable asset to our company, and we were impressed with his ability to come up to speed quickly and thoroughly and to handle complex financial matters.

In conclusion, I would recommend Greg Powell from the CFO Centre for any finance related services. He is a consummate professional and I am confident that he will provide the same level of expertise and commitment to his future clients.

Sincerely,
